

JONES WASTE SERVICES LTD.

Skip Hire, Wheelie Bins, Waste Disposal & Metal Merchant

Continental Waste Containers

No mess, no fuss!

The simple solution to your waste containment needs

The Continental range is the safe, simple waste containment solution for traders, restaurants, community facilities ...and more.

Ideal for inside or outside your premises, the Continental helps to promote tidiness and good housekeeping. No wonder it's the UK's most popular wheeled waste container!

Collection is just as trouble-free as our specially equipped vehicles will call on a fixed day or days each week to empty your container. It's a speedy, clean and efficient system – at a very competitive price.

Features

- Robust steel body withstands heavy usage
